

Helping Youth & Families Achieve Success and Independence

Davidson County Juvenile Detention Center

As a parent or guardian of a child in detention, you are very important to us. We recognize that this may be a very difficult time for you and that you will be receiving a lot of information. We would like to take the opportunity to provide you with some very important initial program information and welcome you to contact us with any questions or concerns. A parent handbook will also be made available to you onsite to provide additional information about the program, program practices and available resources during your child's stay.
